

The School Fund

Last updated: Wednesday 29 June 2005

The School Fund is in a healthy state following two very successful Sponsored Walks. New furniture has been purchased for all Science classes and will be bought for all Maths classes in the current year. Pupils such as Konrad (see other news item) can be given financial support for special ventures - national sports squad events, music and drama summer schools, etc - to cover travel, subsidence or equipment costs.

Pupils or their parents can apply by writing a brief letter to the Headteacher, giving details of their venture and costs. Phone the school office if you need assistance with the content of the letter. We are keen to make the School Fund work for pupils of the school.
